Dear past students and well-wishers,

M.P.E society is serving as an educational and cultural hub for the last six decades in the picturesque coastal town of Honnavar, situated on the banks of magnificent Sharavati river. 'Sa vidya Ya Vimukthaye' (The knowledge that liberates) is our main motto. The society strives hard to provide quality education through its C.B.S.E School, S.D.M. Pre University College and S. D. M. Degree College and Post-Graduation Centre. M. P. E. Society's Dr. M. P. Karki Institute of Excellence and Research motivates and supports the students to take up research and innovation, prepare for competitive examinations and provides skill based training. More than 25,000 students have received education from our Institutions in the past 56 years and are well placed in the society. During the current academic year, around 2500 students from LKG to P.G are pursuing education.

Many of the students studying in our institutions belong to poor and middle-class backgrounds. Therefore, our society is initiating "Vidyasanjivini" student welfare scheme, under which, we plan to collect a fund through donations and use it for fee discount for meritorious, poor students. Under this scheme, we also plan to build a cooking shed and give subsidised mid-day meals to the needy students who are coming from faraway places. We will use this fund for building classrooms or similar activities if such a need arises. We request the honorable donors, educational lovers, and our dear past students to give financial support. We are assuring that the support given by you will be exclusively used for these endure.

Donations to Vidyasanjeevini will be eligible for tax exemption under Section 80G of Income Tax Act. We sincerely request you to give your whole hearted support for this noble cause.

Thanking you,

Krishnamurty Bhat, Shivani
